Mr. William Schleyer, CEO
Adelphia Corporation
5619 DCT Parkway
Greenwood Village, CO 80111

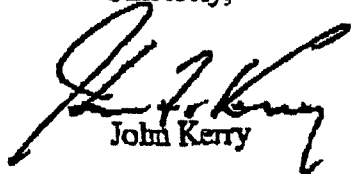

Dear Mr. Schleyer:

It has been brought to my attention that Adelphia workers in New York, Virginia, and Pennsylvania have been unable to reach a collective bargaining agreement with your company. I am particularly concerned that the group in Cheektowaga NY, which voted for the union in November of 2001, is still without an agreement.

The workers of your corporation have exercised their right to join a union and bargain collectively. I respect the right and basic American freedom of every working person to pursue equality, opportunity, a voice on the job and a better life by forming a union. I believe that unions contribute to the economic vitality of our country by playing a key role in making and maintaining the good quality jobs that are essential to creating and sustaining thriving communities.

I urge you to come to a fair agreement that will be positive for the workers, the community and the company. The members of the Communications Workers of America have my support in securing a fair contract.

Sincerely,

John Kerry
