NABET-CWA/NBCU NEGOTIATIONS NEW YORK CITY

BULLETIN #3
December 5, 2008

NABET-CWA and NBCU met this week to continue early, off-the-record, limited issues bargaining in New York City. Talks were scheduled to continue through December 12, 2008. However, in light of the current economic climate nationwide and the corporate organizational changes announced yesterday by NBCU, the Union has concluded that now is not an optimal time to attempt to reach a multi-year labor agreement.

Negotiations are currently adjourned. In the meantime, your negotiating committee will keep the lines of communication open with NBCU. The contract is due to expire on March 31, 2009.

Please ignore all rumors. Bulletins and other official information concerning these negotiations will be distributed by the Sector and Locals as necessary.
