NABET-CWA/NBCU NEGOTIATIONS NEW YORK CITY

BULLETIN #5
March 27, 2009

The parties have completed the second week of their current round of bargaining, with limited progress on some issues, but little progress on major issues such as seniority and job security. As in all the sessions since the negotiations began on September 22, 2008, the meetings have been conducted off the record.

The Union will meet in caucus over the weekend, and bargaining will resume on Monday, March 30, 2009 at 10:30 A.M.

The contract expires at midnight on March 31, 2009. Green mobilization protocols are now in effect.

Bulletins and other official information concerning these negotiations will be distributed by the Sector and Locals as necessary.
