ATTENTION ALL CWA MEMBERS AT FRONTIER UNDER THE FORMER VERIZON CONTRACT

The following is an excerpt from an 8/10/11 email from Frontier CEO Maggie Wilderotter to a member under the Local 2001 “Legacy” contract:

"...West Virginia Verizon contracts are rich and unrealistic... The current West Virginia Verizon contract that we inherited needs to change and when we open bargaining with the CWA on that contract our goal is to move it to our legacy contract levels..."

Currently, here in West Virginia, CWA Local 2001 is in bargaining with Frontier Communications (contract expires 8/11/11 11:59pm), as is IBEW Local 317 (contract expires 8/22/11). CWA Local 2276 begins bargaining 8/15/11 (contract expires 8/20/11).

If you think these rounds of bargaining don’t affect you, GET YOUR HEAD OUT OF THE SAND!

We must all be engaged in the fight!!!
