
Rally to Stop the Sale of Verizon to Frontier

"It's Good for Wall Street,
Bad For West Virginia!"

The sale of Verizon's landlines to Frontier is a disaster waiting to happen. Similar deals in other states resulted in bankruptcy, lost jobs, unmet broadband promises and poor service.

This deal will pad the pockets of Wall Street executives while leaving West Virginia further behind.

Concerned about the sale of Verizon's landlines to Frontier? Join CWA and other groups for a rally on January 10.

Music, food, inspiring speeches and action!

Sunday, January 10

2:00 - 3:30 pm

The Culture Center

Capitol Complex, 1900 Kanawha Boulevard East
Charleston, WV
